Notes: Please begin contacting sales representatives to schedule appointments as soon as possible. Our goal is to make this show bigger and better than ever by including all golf facilities in this year's Dakota Market Show. We expect appointments to fill quickly.

We anticipate that a few sales representatives will be working from their vans in the parking lot, we will try and post this information on site at the show, and have asked the reps working in their vans to identify themselves accordingly. Please adhere to appointment schedules out of respect for all attendees and sales representatives.

Do you know of someone not invited to the show, but they should be? Please pass along the show details, and let them know they can join us!

This show is not open to the general public. In order to attend, you must be an owner of, or a buyer for a driving range, 9-hole golf course, 18-hole golf course, off-course golf specialty retailer, or a PGA member to attend this show.
